

MONTHLY PARTS CONNECTION *Sept. 2010*

Keep your header in top condition with quality OEM parts from 4R

Part #	Description
B94626	Bed Auger Mtg. Block Kit
B96216	Header Auger Finger Kit
B95574A	Corn Head Idler Brg. Kit

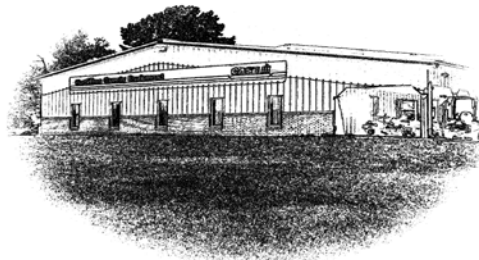

- Knife Sections
- Guards
- Poly Dividers

...and all the hardware to do the job right

Many more kits available with everything needed for a complete repair

TIP of the month:

Experiencing roller chain wear? Don't forget the sprockets! Worn or damaged teeth can ruin a new chain quickly resulting in even more down time.
